## Road Motor

### \* Cairns to Reservoir

The Reservoirs are situated four miles from Cairns, and their elevated situation provides an extensive panorama of Edge Hill, Cairns, Trinity Bay, and the Pacific Ocean; the canefields in the valley being particularly beautiful.

Half an hour is spent at the Reservoirs.

## Rail Motor

### Morning or Afternoon

### Cairns to Mulgrave Sugar Mill, Gordonvale

A delightful trip through the sugar fields of the Mulgrave Valley in smooth riding, speedy rail motor cars, allowing sufficient time at Gordonvale to witness (by courtesy of the management) the interesting operations of converting sugar-cane into raw sugar at the Mulgrave Central Sugar Mill. Facilities to inspect the Mill can only be granted for parties, and must be arranged through the Tourist Officer, Cairns, from whom time table may be obtained.

| Adult fare | .. | .. | .. | .. | 3/2 |
| Children   | .. | .. | .. | .. | 1/8 |

## Launch

### Cairns to Green Island (Great Barrier Reef)

Green Island is situated 16 miles from Cairns, and is the most easily accessible of the islands of the Great Barrier Reef. Its attractive setting enables visitors to view coral, shell, and fish life on the surrounding reefs, which are exposed at low tide.

Throughout the year launches leave Cairns Wharf at 9.15 a.m. on Sundays, and arrive back in Cairns at 5.0 p.m.

During the Winter Season the service is augmented, and a launch leaves Cairns on Thursdays at 11.0 a.m., returning at 5.0 p.m.

|            |    |    |    |    |     |
|------------|----|----|----|----|-----|
| Adult fare | .. | .. | .. | .. | 7/0 |
| Children   | .. | .. | .. | .. | 3/6 |

Including inspection of Coral Reef.
